Junior Sheep Show

Division 1612-1613

Market Lamb Show

1. ALL sheep must have a USDA/APHIS Scrapie tag at check in at the north gate and check in with the superintendent.
2. Market sheep cannot have any horns and may be wethers or ewe lambs.
3. Health inspections must be brought with animals. Health Inspections must be no older than 10 days at the time of check in. Animals must be free from fungus or lice.
4. ALL market sheep will stay in the barn on the fairgrounds during the county fair.
5. Market lambs must weigh a minimum of 100 pounds. Underweight lambs will not be eligible for the sale.
6. Underweight market lambs will be shown together as one class.
7. No weigh backs allowed unless deemed appropriate by the sheep superintendent or fair board. Animals can not leave the scale area or supervision of the fair officials weighing animals if a reweigh has been called.
8. ALL market lambs must have no more than $\frac{3}{8}$ " dry wool upon presentation to weigh. No lamb can wear a blanket or covering through the scale. Sheep can have wool/hair below the knee and hock that remains untrimmed. Wool above the knee and hock must be trimmed.
9. Halters with chains as leads and blankets/all coverings will be removed for weigh-ins.
10. Animals must be checked-in with a scannable RFID tag at spring weigh in or receive a WSF scannable tag.
11. The slapping or lifting of market lambs in the show ring is not allowed. All lambs must have four feet on the ground during the judge's inspection or handling. Lifting the feet off the ground or placing feet on any support or altered ring surface is not acceptable. Exhibitors will receive one warning if they are found lifting or slapping lambs. Second offenses will result in automatic exhibitor and animal disqualification.
12. Ewe lambs entered and processed as breeding animals may not be exhibited as market animals. Ewe lambs entered, processed and shown as market animals, may not be exhibited as breeding animals. WSF market tags must be removed from all breeding ewe lambs shown at county and state fair.
13. The superintendent reserves the right to modify shows or make determinations on rules at any time. The superintendent can make stall changes at any time. Any disputes will be settled by the Superintendent in the applicable area as a representative of the fair board.
14. Classes will be established by 10 pound or logical weight breaks by the show superintendent following processing/weigh-in. Any dispute of weight will be handled using the grievance policy set forth in this fair book.

15. At the June weigh-in and county fair weigh-in the superintendent reserves the right to make classification calls on breeds of sheep. (Ex: Entering a blackface as a speckle face) Use the following classifications to help you enter your sheep correctly.

16. Breed Classifications:

a. Blackface Market Lamb

- Black face: These are generally white, or natural colored bodied, black or a black and white wool/hair mix on their legs, with a black head. Some blackfaces may have a Hampshire appearance with a wool/light colored faceplate.

b. Whiteface Market Lamb

- Whiteface: Lambs that are crossed with a wool type or Dorset. They have white heads, bodies, legs and generally have white hooves. No black marking of any kind is allowed in the whiteface division.

c. Speckleface Market Lamb

- Speckle face: These are generally a cross between a wool breed and a blackface (meat) breed. Lambs should show significant evidence of their wool breed ancestry. Skin will appear pink, white wool, brown/black spots in conjunction with wool in legs below the knees/hocks, significant brown/black spots on the face plate. Being wool crossbreeds, may also have a smut face (light brown mottling on the face and legs).

Albany County Fair Home Raised Market Lamb Show.

1. Animals must be born and fed in Albany County in order to be eligible for this class. Animals must be home raised by an eligible Albany County exhibitor.

Junior Breeding Sheep Show Division 1612

1. ALL breeding sheep must have a USDA/APHIS Scrapie tag at check in at the north gate and check in with the superintendent.
2. Health inspections must be brought with animals. Health Inspections must be no older than 10 days at the time of check in. Animals must be free from fungus or lice.
3. Rams, over one year old, must be brought the day of the show.
4. Your breeding sheep might be penned with your market lambs unless designated otherwise and pen space is available. Breeding animals may be required to come the day of the show. Rams under 1 year of age may be eligible to stay on the fairgrounds for the week. This must be noted on your entries if you will bring a ram. If this is not noted, we assume you are bringing them the day of the show.
5. ALL breeding sheep must be shorn or hand sheared to breed standard. Fitting of breeding sheep will be left to the discretion of the exhibitor, but the animals are to be shown in natural conformation, color and breed standard.
6. Breeding animals, bred females, etc. – Breeding animals can be released at the discretion of show management after their respective show. Pending show management or superintendent approval upon submission of a written request.
7. When entering breeding animals a birthdate and ear tag or identification number/tattoo (which is permanently attached to the animal) must be used. Each animal must have a unique identifier that will be used when checking in for shows and classification..
8. Ewe lambs entered and processed as breeding animals may not be exhibited as market animals. Ewe lambs entered, processed, and shown as market animals, may not be exhibited as breeding animals. WSF market tags must be removed from all breeding ewe lambs prior to county fair.
9. Animals shown in the breeding classes must be ewes or rams. No castrated males allowed.
10. Animals can be entered only once in the breeding show with the exception of breeding ewe phase 2 classes. Ewes may be entered in the proper age class as well as phase class.
11. Yearlings entered in the yearling classes MUST have yearling teeth and must be born in the previous year.
12. Supreme Ewe phase 1 and 2 is a separate show and calculation for the overall winner. Included in our breeding show is phase 1 (ewe without lamb) and phase 2 (ewe that has lambed). That is different from the supreme program. Questions and clarification on rules governing the supreme ewe program should be directed to the Albany County Stockgrowers. The supreme ewe show will take place after the breeding sheep show is complete.
13. The superintendent reserves the right to modify shows or make determinations on rules at any time. The superintendent can make stall changes at any time. Any disputes will be settled by the Superintendent in the applicable area as a representative of the fair board.
