Rate Reduction Policy

The Albany County Fairgrounds Board adopted a Rate Discount policy April 2022.

A rate reduction can be applied to the following and at the rate associated with the following.

Type of Event	Percentage Of Discount
Benefit Function	50%
Educational Event	75%
Youth Organization Meeting	100%

These can include but are not limited to:

A Benefit Function is defined as an event where all of the proceeds are allotted to fund youth organization fundraising, school events, and other fundraising type events approved by Albany County Fairgrounds Management.

An Educational Event is defined as a learning opportunity for students of any age, from different clubs, community groups, counties, states or regions. This does not include livestock or animal shows unless approved by management.

A Youth Organization Meeting is defined as one youth club, chapter or organization gathering for discussion where no money is taken in for fundraising or sales.

Groups or individuals that disregard the requirements of the contract regarding deposits, rent, clean up, storage or any other section of the contract may be required to pay full price for deposit and rental as determined by the Fairgrounds Management.

The management reserves the right to decline to rent the facility to anyone at any time.
